

Gifts That Ignite Dreams

ALL PROFITS TO CHARITY | A STUDENT CREATED & OPERATED BUSINESS

Where Dreams Ignite

Taste of Immokalee is a student created and operated company with a mission to provide students with hands-on experience in all aspects of business, with a focus on social entrepreneurship to give back to the community of Immokalee, Florida. Working with business mentors in both classroom and field settings, our Youth Entrepreneurship and Internship Program gives teens real-world business experience. While working in the company, students gain the foundational soft skills needed to be successful in their career paths. Each holiday season, we get excited to fill the holiday catalog with festive bundles that will bring joy to you and your recipient(s). This year, we decided that the theme of our catalog would be "Gifts that Ignite Dreams", because all of the profits from the sales of our holiday bundles go to charities benefiting the youth to help them achieve their dreams. **Each holiday bundle that is purchased comes with an insert of the story of Taste of Immokalee so your recipient(s) truly knows how special the gift is.**

Since we started the company in 2014, Taste of Immokalee has served 432 students, provided 188 paid internship positions, and have awarded 42 students with state recognized credentials. Most of our alumni, myself included, have graduated from college and are now working in finance, business, medicine, human resources, education, and hospitality management. I started the program as a senior in high school and interned with the company throughout college. I am now the Operations Manager of Taste of Immokalee and I couldn't have done it without the generosity of people like yourself who have supported the students of this company by purchasing holiday bundles each year. Enjoy browsing our catalog and the creative gift bundles designed by our students. We know that the special people on your holiday gift list will love to know that the purchase of your gift will help **IGNITE DREAMS!**

On behalf of the students behind Taste of Immokalee, we wish you a wonderful holiday season and we thank you for supporting us.

Yvelande Astreide
Taste of Immokalee Alumni &
Operation Manager
