JAVA D'ORO

Java D'oro is a family-owned and operated business, which is shown in how close they bond with each other and customers. The Latassa family has been brewing coffee since 1998, improving their craft daily to such a degree that their coffee's aroma and taste burst with passion. Java D'oro is a staple coffee establishment for South West Floridians who enjoy the deep-flavorful coffee they serve. Their specialty, Arabica beans, is a need-to-taste drink with their roastmasters perfecting different profiling techniques to optimize the flavor of their different coffees. You can taste the amount of effort they put into every single cup of coffee.

EPIPHANY GLUTEN FREE BAKERY

The dawn of Epiphany began in 2010 when friends and family members were insistent that the owner, Ruth Wardein, share her gluten free baked goods. She was immediately blessed with the help and wisdom of Andy Amick, a long time friend, who became her business partner. They originally started in her home kitchen with a dozen customers picking up food weekly. As they began to grow, they moved to their next phase by participating in Farmers Markets and now owning a store front shop.

BEULAH HONEY

Beulah Honey is a small business that offers locally produced, raw, all-natural honey right here in Gainesville, FL. They care for high-quality honey. They care for natural supplies. They care for Floridians and their bees. They are a company that cares about bees, which shows in the quality of their honey and products. Their products are the epitome of sweet, all-natural honey, which you should feel proud to buy!

THE FARM STAND AT NAPLES CO

Chef and owner David McCone, made his journey down to Southwest Florida nearly a decade ago. Working and managing some of the premier restaurants in Naples, FL, David realized that there is a big difference between "Good and Great". With this simple notion of: Good and Great; they have opened The Farm Stand at Naples Canning Co. Each and every item in the store has a story, a reason and true quality; as well as purpose and respect. They continue to search for Small Batch American Artisans producing food and culinary goods without mass production.
